The DD Systems Collaborative, through the work of five project teams and advocate advisors, is committed to building a service system that achieves the hopes and dreams expressed in the DD Shared Vision: A flexible system in which each person directs their own supports, based on their strengths and abilities, toward a meaningful life in their home, their job and their community. Our vision includes supported families, professional staff and services available throughout the state now and into the future.

**Project Teams**

- **Person-Directed Culture Change**
  - Define person-directed
  - Educate service providers
  - Align service delivery system with definition

- **DSP Workforce Development**
  - Define & commit to professional direct support workforce
  - Evaluate credentialing
  - Increase capacity

- **Community Awareness**
  - Educate community
  - Provide information to families
  - Document success stories

- **Legislative Engagement**
  - Embed the Vision in statute
  - Facilitate consistent message across advocacy groups

- **Measuring Success**
  - Develop a coordinated approach to measuring quality of DD service system
