### **CURRENT PRIORITIES**

## **Current Priorities**

### 1. Medicaid Redesign

### 2. Justice Reinvestment

Multi-prong approach: expanding and redesigning Medicaid and reforming the behavioral health system are the foundation to successful criminal justice reform.

# Why is the Trust so engaged with Medicaid Redesign?

- For over 20 years Alaska has been pursuing a strategy of "Medicaid refinancing" to take advantage of federal matching dollars and reduce GF expenditures
- Systems serving Trust beneficiaries are now funded primarily through Medicaid
- Sustainability of Medicaid is crucial to protecting Trust beneficiaries
- Redesign must make Medicaid sustainable and improve results

# **SB74**

• Trustees approved nearly \$10 million (over next three fiscal years) to assist DHSS in the implementation of SB74

## Why is the Trust so engaged with Justice Reinvestment?

- Trust beneficiaries account for more than 40% bookings and 40% of DOC population, each year
- For felony offenses, Trust beneficiaries remain in jail *twice* as long as non-beneficiaries
- Recidivism rates are approximately twice as high for Trust beneficiaries

### **Justice Reinvestment**

## **Justice Reinvestment**

 There is a critical intersection between criminal justice reform and Medicaid expansion and re-design in re-establishing access to behavioral health services for Trust beneficiaries at high risk of and with involvement in the criminal justice system

### FY18/19 BUDGET PLANNING PROCESS

Alaska Mental Health Trust Authority

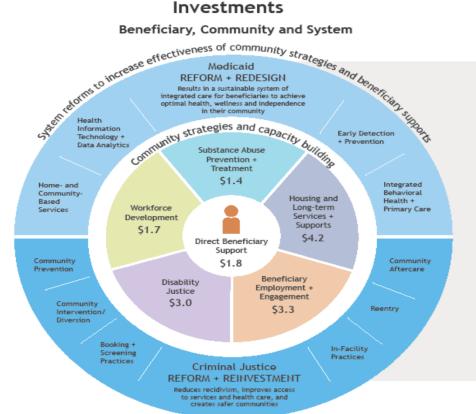

A catalyst for change to improve the lives of beneficiaries

### Mission & Principles
