Trust
Alaska Mental Health Trust Authority

Since 1994, the Alaska Mental Health Trust Authority has worked to improve the lives of vulnerable Alaskans.

Beneficiaries of the Trust include Alaskans who experience mental illness, intellectual and developmental disabilities, chronic alcohol or drug addiction, Alzheimer's disease and related dementia, and traumatic brain injuries.

Trust Beneficiary Listening Session

Trust Beneficiary Listening Session

Thursday, September 12, 2024
1:00 p.m. to 3:00 p.m.

In person at the Trust Authority Building and via WebEx

The Alaska Mental Health Trust Authority invites Trust beneficiaries to share their first-hand experiences and perspectives on behavioral health and disability services.

The purpose of this session is for Trust beneficiaries and caregivers to share their first-hand experiences about their experiences with behavioral health and disability services.

What to expect:

- Those who would like to share in person or virtually
- Comments will be limited to 5 minutes
- We will accommodate as many participants as practical in the time allotted
- An anonymized summary of comments will be developed and shared with the Trust Authority and posted to the trust website

Trust Beneficiary Listening Session Summary

Introduction:

The Alaska Mental Health Trust Authority hosted a Listening Session on Thursday, September 12th, 2024, to gather firsthand perspectives from beneficiaries and caregivers about their experiences with Alaska's system of care. The Trust aims to utilize this feedback to inform its focus areas and priority initiatives related to beneficiary services in the state.

Session Details:

- Beneficiaries and caregivers were invited to share their experiences seeking and receiving services.
- Participation options included in-person attendance at the Trust Authority Building and virtual participation via WebEx.
- A total of 10 individuals provided verbal comments, and another seven submitted written comments. Participants included psychiatric rights holders, members of beneficiary-serving organizations, and family members of psychiatric rights holders.
