CALLING ALL PEER SPECIALISTS IN FIRST EPISODE PSYCHOSIS PROGRAMS IN ALASKA!

Join us for a series of free online consultation calls

The Northwest MHTTC is hosting a four-part series aimed at supporting peer specialists working with first episode psychosis coordinated specialty care programs in HHS Region 10: Alaska, Idaho, Oregon and Washington. Brought to you in collaboration with the Early Assessment and Support Alliance (EASA) Center for Excellence at OHSU-PSU School of Public Health and Community Voices Are Born.

About The Series

The series consists of four free online consultation calls:

Monday, April 26, 2-3pm Alaska/3-4pm Pacific

Monday, May 24, 2-3pm Alaska/3-4pm Pacific

Monday, June 28, 2-3pm Alaska/3-4pm Pacific

Monday, July 19, 2-3pm Alaska/3-4pm Pacific

How To Register

To sign up, please email Matthew Christiansen, Research Coordinator, University of Washington, at mchr@uw.edu.

Facilitators

LORRIN GEHRING, CPC. Lorrin is a passionate leader who began advocating for youth rights and voice at age 15. She has served as an Advocate, a Program Director, a Case Manager, a Resource Specialist, a Social Marketer, a Teacher and a Peer. She specializes in workforce and program development, peer support and implementation, coaching and mentoring, and adaptive leadership.

MICHELLE OWENS. Michelle Owens is a peer support specialist and the Young Adult Engagement Specialist at the EASA (Early Assessment and Support Alliance) Center for Excellence at the Oregon Health & Science University-Portland State University School of Public Health, where she does program development and research on peer support and youth voice. She grew up in Chicago then attended Reed College in Portland, Oregon.

**4 Mondays:
April 26
May 24
June 28
