

Supportive Housing Webinar Series

In partnership with The Alaska Training Cooperative (ATC) and United Way of Anchorage (UWA), the Alaska Mental Health Trust Authority (Trust) is sponsoring a five-part webinar series focused on supportive housing. This flyer will be updated with both past and upcoming webinar links.

Please join us to learn how Alaskans and many non-profits nationally are creating the solution for homelessness - supportive housing!

Webinar 1: Introduction to Supportive Housing

Nov 9, 2021,
1 pm - 2:30 pm AKDT

Introduction by series sponsors: UWA and the Trust

This introduction session will provide a general overview and key elements of supportive housing programs used nationwide and here in Alaska which will be presented by The Corporation for Supportive Housing (CSH). CSH is a national non-profit organization that advances solutions that use housing as a platform for services to improve the lives of the most vulnerable people, maximize public resources and build healthy communities.

This will also be an occasion to recognize and celebrate 10 years of operations of the first Housing First programs in the state, Anchorage's RurAL CAP Karluk Manor and Fairbanks' Tanana Chiefs South Cushman Housing First programs.
