This free in-person training offers tools and hands-on practice for learning skills for advocating for issues you care about. Participants learn how to communicate with policymakers for the most impact, and tips for speaking at public meetings. This training is for people with lived experience of a disability, peers, family members, service providers, administrators, educators, leaders, and others interested in learning:

- Tools for successful meetings with policymakers (Legislature, Councils, Assembly, School Board)
- Refining your personal story for the most impact
- Tips for advocacy from home
- Tips for speaking on a public panel or at a public committee
- Updates on current issues that impact Trust beneficiaries: --people with mental illness, substance use disorders, dementia, intellectual-developmental disabilities, traumatic brain injury

* Please fill-in your details below, then scan or take a photo and text to 907-321-2548; or email to: advocacy.coordinator@mhtrust.org; or send by mail to 431 N. Franklin St. Juneau, AK 99801; or go to: www.alaskamentalhealthtrust.org/jointadvocacy
