**Trust Land Office**  
**BEST INTEREST DECISION**  
**Negotiated Land Sale- Little Harding Lake**

MHT: 9400901  
MH Parcel: **Portion of FM-7009**

In accordance with AS 38.05.801 et seq. and the implementing regulations governing Alaska Mental Health Trust ("Trust") land management (11 AAC 99), Trust land shall be managed consistently with the responsibilities accepted by the State under the Alaska Mental Health Enabling Act (P.L. 84-830, 70 Stat. 709 (1956)). This means that management shall be conducted solely in the best interest of the Trust and its beneficiaries.

In determining the best interest of the Trust and its beneficiaries, and in determining consistency between state law and the Alaska Mental Health Enabling Act, the Executive Director of the Alaska Mental Health Trust Land Office ("TLO") shall, at a minimum, consider the following interactive Trust management principles in accordance with 11 AAC 99.020:

- Maximization of long-term revenue from Trust land;
- Protection of the corpus;
- Protection and enhancement of the long-term productivity of Trust land;
- Encouragement of a diversity of revenue-producing uses of Trust land; and
- Management of Trust land prudently, efficiently, and with accountability to the Trust and its beneficiaries.

**I. Proposed Use of Trust Land.** Disposal of a portion of a Trust Parcel through a negotiated land sale of 37.98 acres near Little Harding Lake / Salcha, AK (See Exhibit A – Map) at a price of \$82,280.

**II. Applicant/File #.** Terry Hariman / MHT 9400901

**III. Subject Property.**

**A. Legal Description.** Township 6 South, Range 4 East, Fairbanks Meridian, Alaska, Section 11: Lot 4, containing 1.23 acres, more or less, as shown on the survey plat accepted by the United States Department of the Interior, General Land Office, in Washington, D.C. on July 12, 1938.

Section 11: Lots 57 through 64, inclusive, Lots 67 through 74, inclusive, containing 36.75 acres, more or less, as shown on the supplemental plat of survey accepted by the United States Department of the Interior, Bureau of Land Management, in Washington, D.C. on January 6, 1954. aggregating 37 .98 acres, more or less.

**B. Settlement Parcel Number(s).** Portion of FM-7009.

**C. Site Characteristics/Primary Resource Values.** The overall contiguous parcel is comprised of 17 government lots, each individual lot is 3 acres or less. The parcel is wooded with a moderately steep slope from highway grade to the lake, losing ±100 feet in elevation. The parcel transitions from a band of wooded uplands covered in

vegetation typical of the area to wetlands along the lakeshore. Approximately 75% of the parcel is classified as Freshwater Forested/Shrub wetlands.

- D. Historical and Existing Uses of the Property.** The Trust received title to the parcel via quitclaim deed from the State of Alaska on May 28, 2009. There are currently no existing uses or authorizations on the subject parcel making it vacant, raw land.
- E. Adjacent Land Use Trends.** Adjacent lands are primarily raw land or rural residential and owned by the Alaska Mental Health Trust and private parties.
- F. Previous State Plans/Classifications.** None.
- G. Existing Plans Affecting the Subject Parcel.** The parcel is zoned RE-2 Rural Estate by the Fairbanks North Star Borough and intended for low density residential development and other compatible uses in areas where community sewer and water systems are unavailable. The parcel currently conforms to existing zoning requirements..
- H. Apparent Highest and Best Use.** Disposal through negotiated sale above fair market value.

**IV. Proposal Background.** On July 31, 2024, Mr. Harriman applied to purchase the parcels, aggregating to approximately 37.98 acres, through negotiated sale for the purpose of developing a tourism stop / recreation area along the Richardson Highway. Mr. Harriman has agreed to pay a premium of 40% above the appraised fair market value and reimburse the TLO for the cost of the appraisal.

- V. Terms and Conditions.** The parcel will be sold via a land sale contract or quitclaim deed at the time of closing. The terms and conditions include the following:
- A.** Parcel will be sold “as is” and “where is” with no guarantees as to the suitability for any intended use.
  - B.** Purchaser agrees to pay for all escrow, title, and other closing costs including title insurance if title insurance is desired by the Purchaser.
  - C.** Purchaser agrees to reimburse the TLO for the cost of the appraisal totaling \$5,000.

**VI. Resource Management Considerations.** The proposal is consistent with the “Resource Management Strategy for Trust Land,” which was adopted October 2021 in consultation with the Trust and provides for the TLO to maximize return at prudent levels of risk, prevent liabilities, and convert nonperforming assets into performing assets.

**VII. Alternatives.**

- A. Do nothing or offer sometime in the future.** This alternative would delay receipt of revenues from sales, potential income from land sale contract interest, income from Trust principal interest, and could result in additional costs and risks to the Trust without significant increases in value.
- B. Leasing the parcel.** Management costs to the Trust will generally decrease on the properties through a sale.
- C. Alternate development.** Currently, Fairbanks North Star Borough ordinances and zoning restrictions along with platting requirements to construct road and utility

infrastructure make this option cost prohibitive. It is also not cost effective for the TLO to hold this parcel and incur the associated management costs and liabilities.

**VIII. Risk Management Considerations.**

- A. Performance Risks.** Performance risks will be mitigated through the TLO's Purchase and Sale Agreement, Land Sale Contract, and Quitclaim Deed.
- B. Environmental Risks.** There are no known environmental risks associated with the proposed sale.
- C. Public Concerns.** Subject to comments resulting from the public notice, there are no known public concerns.

**IX. Due Diligence.**

- A. Site Inspection.** TLO staff inspected the parcels in August 2023.
- B. Valuation.** August 28, 2024, Black-Smith, Bethard & Carlson, LLC did an appraisal on the subject parcel and determined the fair market price to be \$55,200. A 40% premium and factoring in the appraisal reimbursement brings the total sale price to \$82,280.
- C. Terms and Conditions Review.** An agreement for the purchase and sale of the property was executed on September 20, 2024. The standard TLO conveyance documents have been reviewed by the Department of Law.

**X. Authorities.**

- A. Applicable Authority.** AS 37.14.009(a), AS 38.05.801, and 11 AAC 99 (key statutes and regulations applicable to Trust land management and disposal).
- B. Inconsistency Determination.** As the proposed negotiated sale is specifically authorized under 11 AAC 99, any relevant provision of law applicable to other state lands is inapplicable to this action if it is inconsistent with Trust responsibilities accepted by the State under the Alaska Mental Health Enabling Act (P.L. 84-830, 70 Stat. 709 (1956)) as clarified by AS 38.05.801 and Alaska Mental Health Trust land regulations (11 AAC 99). 11 AAC 99 includes determinations that certain State statutes applicable to other State land do not apply to Trust land unless determined by the Executive Director, on a case-by-case basis, to be consistent with 11 AAC 99.020. The State Statutes deemed inconsistent with Trust management principles and inapplicable to Trust land by these regulations have not been applied to this decision or this action, including, but not limited to, AS 38.04 (Policy for Use and Classification of State Land ZDXCV Surface), AS 38.05.035 (Powers and Duties of the Director), AS 38.05.300 (Classification of Land), AS 38.05.945 (Notice), AS 38.05.946 (Hearings), and 11 AAC 02 (Appeals).

- XI. Trust Authority Consultation.** The Alaska Mental Health Trust Resource Management Committee was consulted on October 16, 2024. The Committee recommended that the proposed transaction be forwarded to the Alaska Mental Health Trust board of trustees. On November 13, 2024, the board of trustees adopted the motion stating: *"The Alaska Mental Health Trust Authority board of trustees concur with the Executive Director of*

*the Trust Land Office's (TLO) decision to dispose of a portion of Trust parcel FM-7009, approximately 37.98 acres, through a negotiated sale or subsequent disposal."*

**XII. Best Interest Decision.** Given the information above and the information contained in the complete record, the Executive Director finds that the proposed transaction is in the best interest of the Trust, subject to the terms and conditions addressed in this decision. The decision is based upon the consideration of the five Trust management principles set out in 11 AAC 99.020 and is in full compliance with 11 AAC 99. This decision does not preclude the TLO from determining that an alternative proposal will serve the best interest of the Trust. A future determination of that nature will require a best interest decision specific to the proposal.

**A. Non-competitive Disposal Determination.** 11 AAC 99.020 (d) allows for the disposal of Trust land through a competitive basis, unless the Executive Director in consultation with the Trust Authority, determines in a written decision required by 11 AAC 99.040 that a non-competitive disposal is in the best interest of the Trust and its beneficiaries. This parcel is being sold at a premium of 40% above the appraised value to compensate for not selling the land through a competitive process. Given the 40% premium price offered and cost prohibitive alternative development, non-competitive disposal is in the best interests of the Trust and its beneficiaries. If another party submits a qualified offer as explained in Section XIII, the Executive Director may consider a competitive sale under the authority of this decision.

**XIII. Opportunity for Comment.** Notice of this Best Interest Decision will take place as provided under 11 AAC 99.050. Persons who believe that the decision should be altered because it is not in the best interest of the Trust or its beneficiaries, or because the decision is inconsistent with Trust management principles set out in 11 AAC 99.020 or any other provision of 11 AAC 99, must provide written comments to the TLO during the notice period. Other persons who may be interested in purchasing the Property must submit their proposals during the 30-day public notice period. Instructions to apply can be found online at <https://alaskamentalthtrust.org/trust-land-office/land-sales/land-use-application/>. To be considered a qualified competing interest, applications must include the application fee, a formal Letter of Intent to purchase with an offer price that exceeds the current offer of \$82,280 for the parcels, a deposit of 10% of the offered price in certified funds. In the event that there is competing interest, all qualified interested parties will be notified by phone, fax, or e-mail how they may participate in the alternative sale process. Following the comment deadline, the Executive Director will consider timely written comments that question the decision on the basis of the best interest of the Trust and its beneficiaries or inconsistency with 11 AAC 99. The Executive Director may then, in his or her discretion, modify the decision in whole or in part in response to such comments or other pertinent information, or affirm the Best Interest Decision without changes. The Best Interest Decision as modified or affirmed will become the final agency action, subject to reconsideration procedures under 11 AAC 99.060. Additional notice will be provided for a substantially modified decision. If no

comments are received by the end of the notice period, this Best Interest Decision will be affirmed, and the proposed action taken. (See notice for specific dates.)

**XIV. Reconsideration.** To be eligible to file for reconsideration of this Best Interest Decision, or to file a subsequent appeal to the Superior Court, a person must submit written comments during the notice period.

Persons who submit timely written comments will be provided with a copy of the final written decision and will be eligible to request reconsideration within 20 calendar days after publication of the notice or receipt of the decision, whichever is earlier under 11 AAC 99.060(b). This request must be accompanied by the fee established by the Executive Director under 11 AAC 99.130, which has been set at \$500, to be eligible for reconsideration. The Executive Director shall order or deny reconsideration within 20 calendar days after receiving the request for reconsideration. If the Executive Director takes no action during the 20-day period following the request for reconsideration, the request is considered denied. Denial of a request for reconsideration is the final administrative decision for purposes of appeal to the superior court under AS 44.62.560.
