Call in via phone: 253-215-8782

Meeting ID: 843 1109 0387

Passcode: 12873

## **The Alaska Mental Health Trust Authority (Trust) is charting its future, and we want your input to help guide the way.**

The Trust is hosting a virtual listening session for beneficiaries to share their experiences, priorities, and ideas that can help shape the Trust's next five-year strategic plan. This session is part of a broader planning process and will help ensure the Trust's future direction is informed by the voices of those it serves.

If you've used services supported by the Trust, and have ideas about what's needed in your community, we'd love to hear from you.

### **Questions to consider:**

- What support or services funded by the Trust have made the biggest difference in your life?
- What's still missing or hard to get in your community that you think the Trust should play a role in addressing?
- Are there any services or programs you'd like to see in the future that would make life better for you or people you know?
- Is there anything else you want to share with us as we plan for the future?

Comments will be limited to 5 minutes, and we will accommodate as many comments as practical in the time allotted.

Written comments may be submitted by June 9, 2025, through an anonymous survey:
